Plaintiff has attempted to, and has to the extent possible, accessed the Facility and the Property in her capacity as a customer of the Facility and Property, and as an advocate for the disabled, but could not fully do so because of her disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her

28. Plaintiff intends to visit the Facility and Property again in the future as a customer and as an advocate for the disabled in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of her disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Defendant has discriminated against Plaintiff (and others with disabilities) by denying her access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility and Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

30. Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all

physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by Plaintiff and other persons with disabilities.

31. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Facility and Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Facility and Property include, but are not limited to:

**(a) EXTERIOR ELEMENTS:**

- (i) The accessible parking space on the Property and its associated adjacent access aisle are not adequately marked, in violation of sections 502.1 and 502.3 of the 2010 ADAAG standards.

the boundaries of said access aisle, in violation of section 502.4 of the 2010 ADAAG standards.

- (iv) The above-described ramp has a running slope in excess of 1:12 (one to twelve, in violation of section 405.2 of the 2010 ADAAG standards, and side flares with slopes in excess of 1:10 (one to ten), in violation of section 406.3 of the 2010 ADAAG standards. The base and running surfaces of this ramp are severely degraded, have vertical rises in excess of ¼" (one quarter inch), and are broken and unstable, in violation of section 405.4 of the 2010 ADAAG standards.
- (v) There is a second ramp on the Property that has extreme slope in excess of 1:12 (one to twelve) and no edge protection, in violation of sections 405.2 and 405.9 of the 2010 ADAAG standards.

**(b) INTERIOR ELEMENTS:**

- (i) The interior of the Facility has sales and services counters lacking any portion of which that has a maximum height of 36" (thirty-six inches) from the finished floor, in violation of section 904.4 of the 2010 ADAAG standards.

(ii) The restrooms in the Facility are not accessible or otherwise violate section 603.1 of the 2010 ADAAG standards.

**(c) POLICY ELEMENTS**

(i) The Facility and Property have not been adequately maintained in operable working condition for those features of facilities and equipment that are required to be readily accessible to and usable by persons with disabilities, in violation of section 28 C.F.R. § 36.211.

(ii) Upon information and good faith belief, Defendant fails to adhere to a policy, practice and procedure to ensure that all features and facilities at the Facility and Property are readily accessible to, and usable by, disabled individuals.

32. Without limitation, the above-described violations of the ADAAG made it more difficult for Plaintiff to exit and re-enter her vehicle while on the Property, more difficult and dangerous for Plaintiff to utilize the ramps servicing the Property, rendered the sales and services counter inaccessible to Plaintiff, and rendered the restroom inaccessible to Plaintiff.

33. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the

Facility and Property.

34. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory conditions present at the Facility and Property in violation of the ADA.

35. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

36. All of the violations alleged herein are readily achievable to modify to bring the Facility and Property into compliance with the ADA.

37. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low.

38. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because Defendant has the financial resources to make the necessary modifications.

39. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be

modified to comply with the 1991 ADAAG standards.

40. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that she will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those alleged herein.

41. Plaintiff's requested relief serves the public interest.

42. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant.

43. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant pursuant to 42 U.S.C. §§ 12188 and 12205.

44. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Facility and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant from continuing its discriminatory practices;
- (c) That the Court issue an Order requiring Defendant to (i) remove the

physical barriers to access and (ii) alter the subject Facility and Property to make them readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA;

- (d) That the Court award Plaintiff's counsel reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
